

22nd International Conference on Cryptology

ABOUT INDOCRYPT 2021

Indocrypt 2021 is the 22nd International Conference on Cryptology in India. The conference will take place during 12-15 December 2021 at The LNM Institute of Information Technology (LNMIIT), Jaipur, India. Indocrypt 2021 is part of the Indocrypt series organized under the aegis of the Cryptology Research Society of India. The conference welcomes submissions on all aspects of cryptography including but not limited to: foundations, new primitives, cryptanalysis, security models, implementation aspects, protocols, and applications. Submissions on cryptographic aspects of network security, complexity theory, information theory, coding theory, number theory, and quantum computing will also be considered.

ABOUT THE LNMIIT JAIPUR

Established in the year 2002, The LNM Institute of Information Technology (LNMIIT), Jaipur is a deemed-to-be University and was set up in collaboration with the Government of Rajasthan. It is managed and governed by Lakshmi and Usha-Mittal Foundation. LNMIIT was founded to impart quality education in IT and ITES as well as core disciplines (CSE, CCE, ECE, ME) with emphasis on strong fundamentals. The institute, in spite of being young, is considered as one of the best institutions in its chosen area of higher learning, both in the state and the country. It has been accredited by the National Assessment and Accreditation Council (NAAC) as an 'A' grade institution.
