LNMIIT

The LNM Institute of  
Information Technology

Indocrypt 2021 is the part of the Indocrypt series organised under the aegis of Cryptology Research Society of India (CRSI) in co-operation with IACR. The conference will take place during 13-15 December 2021 at The LNM Institute of Information Technology (LNMIIT), Jaipur, India.

## AIM OF THE CONFERENCE

In the digital age, management and security of the information in the cyber space is quite critical. The multiple dimensions of cryptology play an important role in secure dissemination of information. Through the 22nd edition of INDOCRYPT, well known cryptologists of the globe will come together on the same platform to discuss the advances in the current cryptographic technology and deliberate on current and post quantum cryptographic scenarios.

## ABOUT THE LNMIIT JAIPUR

Established in the year 2002, The LNM Institute of Information Technology (LNMIIT), Jaipur is a deemed-to-be University and was set up in collaboration with the Government of Rajasthan. It is managed and governed by Lakshmi and Usha-Mittal Foundation. It has been accredited by the National Assessment and Accreditation Council (NAAC) as an 'A' grade institution.

## CALL FOR PAPERS

- All accepted papers will be included in the Springer Lecture Notes in Computer Science (LNCS) series. Springer
- We welcome submissions on all aspects of cryptography including but not limited to: foundations, new primitives, cryptanalysis, security models, implementation aspects, protocols, and applications. Submissions on cryptographic aspects of network security, complexity theory, information theory, coding theory, number theory, and quantum computing will also be considered.

## IMPORTANT DATES

- Submission deadline: **7th September 2021 (11:59 AM GMT)**
- Notification to authors: **12th October 2021**
- Final versions of accepted papers: 22nd October 2021
